# ONLINE

# QUESTIONNAIRES

## WHAT?

An online opinion-seeking questionnaire which gathers evidence and then creates an Excel file containing a detailed analysis of all the answers. You can create questionnaires for teachers, pupils, parents or governors.

## WHY?

- An online system
- Can be accessed anywhere
- Anonymous access
- Choose from a bank of set questionnaires or we can create unique questionnaires tailored for you
- The questionnaire can be open for a period of your choice
- Detailed analysis of the responses
- Graphs of the responses
- Easy to upload to the Self-evaluation Template
